

# ABSTRACT SUBMISSION FORM: Pennsylvania Association of Genetic Counselors 2019 Annual Spring Meeting

SUBMISSION DEADLINE: January 21, 2019

The PAGC Annual Spring Meeting will be held on May 9th and 10th at UPMC Pinnacle Harrisburg. The PAGC encourages the submission of original abstracts for oral and poster presentations. Student submissions and previously presented work are welcome. Previously published work will not be considered for review.

**SUBMISSION DEADLINE: January 21, 2019**

Completed abstract submission forms must be submitted via email to [pennsylvaniagc@gmail.com](mailto:pennsylvaniagc@gmail.com) with the word "ABSTRACT" in the subject line.

Acceptance notifications will be sent by February 15, 2018. Accepted abstracts will be published in the meeting syllabus on the PAGC website. If an abstract is accepted, the presenting author must be registered for the meeting. Authors who submit an abstract but are unable to attend the conference are responsible for identifying a co-author to present their work. If accepted, poster/oral presentations must reflect the submitted abstract. In particular, the abstract title, authorship, and scientific content of the presentation at the spring meeting must reflect the submitted abstract.

#### Abstract Submission Requirements:

1. Abstracts are limited to 400 words not including title, authors, or affiliations.
2. Preferred submission type
3. Topic category
4. Two learning objectives
5. CV of the presenting author
6. A brief biography of the presenting author
7. Completed abstract submission form
